

# EKO-47DVF-IR24-DN-WDR

Day / Night Colour Camera

ekonom

- Image Sensor: 1/3" DPS WDR
- High Resolution: 540 TV Lines
- Built-in Vari-focal Lens  $f = 4 \sim 9$  mm
- Day / Night Camera (IR Cut Filter)
- Weather Proof Housing
- 10 ~ 15 m Range Visible with 24 pcs IR LEDs
- Dust & Vandal Proof Anti-flare Double Glass
- Power Supply: DC 12 V

## SPECIFICATIONS:

| MODEL                 | EKO-47DVF-DN-WDR                            |
|-----------------------|---------------------------------------------|
| Image Sensor          | 1/3" DPS                                    |
| Resolution (Pixels)   | 752 (H) x 582 (V)                           |
| Resolution            | 540 TV Lines                                |
| Minimum Illumination  | 0.5 Lux / F2.0 (LED Off); 0 Lux (LED On)    |
| S/N Ratio             | more than 48 dB                             |
| Electronic Shutter    | 1/50 ~ 1/1000000 Sec.                       |
| Control Method        | DIP Switch and OSD Menu                     |
| AGC / BLC             | Auto                                        |
| Lens                  | Auto-Iris Vari-focal Lens $f = 4 \sim 9$ mm |
| IR LED                | 24 pcs                                      |
| IR Series Distance    | 10 ~ 15 m                                   |
| Gamma                 | 0.45                                        |
| Sync. System          | Internal                                    |
| Video Output          | 1.0 V[p-p] / 75 Ohm                         |
| Power Supply          | DC 12 V / AC 24 V                           |
| Power Consumption     | 150 mA (Max.) + 200 mA (LED On)             |
| Operating Temperature | -10°C ~ +50°C                               |
| Weight                | 800 g                                       |
| Dimensions            | 110 (W) x 70 (Ø) mm                         |
